

**CAMDEN PROPERTY TRUST
AUDIT COMMITTEE OF THE BOARD OF TRUST MANAGERS CHARTER**

Amended and Restated February 15, 2019

I. PURPOSE

The Committee (the "Committee") is established by the Board of Trust Managers (the "Board") of Camden Property Trust (the "Company") for the primary purposes of assisting the Board in overseeing:

the integrity of the Company's financial statements;

the Company's compliance with legal and regulatory requirements;

the performance of the Company's data security and privacy programs;

the qualifications, independence and performance of the independent registered public accounting firm (the "Independent Accountants") engaged by the Committee on behalf of the Company; and

the performance of the Company's internal audit department.

In addition, the Committee shall review, as it deems appropriate, the adequacy of the Company's systems of disclosure controls and internal controls regarding financial reporting and accounting.

Consistent with this function, the Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee should also provide an open avenue of communication among the Independent Accountants, financial and senior management, the internal auditing function, and the Board.

The Committee may obtain advice and assistance from outside legal, accounting or other advisors as it deems appropriate to perform its duties and responsibilities. The Committee may retain and compensate these advisors without seeking Board approval.

The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the Independent Accountants and to any advisers the Committee chooses to engage.

The Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this Charter. The Committee will report regularly to the Board regarding the execution of its duties and responsibilities.

II. COMPOSITION AND MEETINGS

The Committee shall be comprised of three or more Trust Managers as determined by the Board, each of whom shall meet the independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and free from any relationship that, in

the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. Trust Manager and Committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service) are the only compensation that a member of the Committee may receive from the Company. All members of the Committee shall have a working familiarity with basic finance and accounting practices and at least one member of the Committee shall be an audit committee financial expert (as defined in Item 407(d)(5)(ii) of Regulation S-K [17 CFR Part 229]). The existence of such member or members as an audit committee financial expert(s), including his or her name and whether or not he or she is independent, shall be disclosed in periodic filings as required by the Securities and Exchange Commission (the "SEC"). Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

No Trust Manager may serve as a member of the Committee if he or she serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such individual to effectively serve on the Committee. Any such determination must be disclosed in the Company's annual proxy statement.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board and shall serve until their successors shall be duly elected and qualified or until their earlier death, retirement, resignation or removal. The Board shall have the power at any time to change the membership of the Committee and to fill vacancies on it, subject to such new member(s) satisfying the independence, experience and financial expertise requirements referred to herein. The members of the Committee shall designate a Chair by majority vote of the full Committee membership.

The Committee shall hold regular meetings as may be necessary and such special meetings as may be called by the Chair of the Committee or at the request of the Independent Accountants or the Company's internal audit department. The agenda for such meetings shall be approved by the Chair of the Committee in consultation with other Committee members, management, the Company's internal audit department and the Independent Accountants. As part of its job to foster open communication, the Committee will meet periodically with management, a representative of the Company's internal audit department, and the Independent Accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee will meet quarterly with the Independent Accountants and management to discuss, prior to their release, the Company's annual audited financial statements and quarterly financial statements, including the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations." The Committee may request any officer or employee of the Company or the Company's outside counsel or Independent Accountants to attend a meeting of the Committee or to meet with any member of, or consultant to, the Committee. Independent Trust Managers who are not members of the Committee are welcome to attend and participate in the meetings of the Committee unless otherwise specified by the Chairperson, but may not vote and will not, unless otherwise approved by the Lead Trust Manager, be compensated for participation in any such meeting.

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Committee shall:

5. Discuss with management earnings press releases (paying particular attention to the use of "pro forma" or "adjusted" non-GAAP information) and financial information and earnings guidance provided to analysts and rating agencies. Such discussions may be on general terms (i.e., discussion of the types of information to be disclosed and the type of presentation to be made). The Committee need not discuss in advance each earnings release or each instance in which the Company may provide earnings guidance.
6. Review the regular reports to management (or summaries thereof) prepared by the internal audit department, as well as management's response.

9. Discuss with the Independent Accountants the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Accounting Oversight Board in Rule 3200T, relating to quality of the accounting principles adopted by the Company and the conduct of the audit, including any audit problems or difficulties that the Independent Accountants may have encountered in the course of the audit work (including any restrictions on the scope of activities or access to requested information) and management's response thereto, and any significant disagreements with management; review the Independent Accountants' attestation and management's internal control report; and hold timely discussions with the Independent Accountants regarding the following:

all critical accounting policies and practices;

material written communications between the Independent Accountants and management, including, but not limited to, the management letter and schedule of unadjusted differences; and

an analysis as to the quality of the Company's accounting principles, setting forth significant reporting issues, alternative accounting treatments, and judgments made in connection with the preparation of the financial statements.

10. Periodically (at least annually), obtain and review a report by the Independent Accountants describing:

the firm's internal quality-control procedures;

any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and

(to assess the Independent Accountants' independence) all relationships between the Independent Accountants and the Company.

Evaluate the qualifications, performance and independence of the Independent Accountants, including a review and evaluation of the lead partner of the Independent Accountants. In making its evaluation, the Committee will take into account the opinions of management and the Company's internal audit department. Assure the regular rotation of the Independent Accountants' lead audit partner as required by law and consider whether, in order to assure continuing independence of the Independent Accountants, there should be regular rotation of the audit firm itself.

11. Review and preapprove both audit and non-audit services to be provided by the Independent Accountants (other than as provided in Section 10A(i)(B) of the Exchange Act relating to de minimis exceptions from the preapproval requirements).

12. Ensure that the Independent Accountants submit to the Committee on a periodic basis written statements regarding their independence and delineating all relationships between the Independent Accountants and the Company, including the written disclosures and letters required by applicable requirements of the Public Company Accounting Oversight Board regarding the Independent Accountants' communication with the Committee concerning independence, and discuss with the Independent Accountants such statements and any disclosed relationships or services that may impact the objectivity and independence of the Independent Accountants and, if so determined by the Committee, recommend that the Board take appropriate action to satisfy itself of the independence of the Independent Accountants.

13. Set clear hiring policies, compliant with laws or regulations, for employees or former employees of the Independent Accountants and periodically (at least annually), review and recommend changes (if any) to said policies.
