The Audit Committee (the “Committee”) is a standing committee of the Board of Directors (the “Board”) of Aon plc (the “Company”).

The purpose of the Committee is to assist the Board of Directors in its oversight of: (i) the integrity of the Company’s financial statements (including the Company’s statutory financial statements under Irish law (the “Irish Statutory Financial Statements”)), financial reporting process and internal controls; (ii) the Company’s compliance with legal and regulatory requirements and ethics programs established by management and the Board; (iii) the engagement of the independent auditor pursuant to the Securities Exchange Act 1934, as amended (the “Exchange Act”), the rules of the Securities and Exchange Commission (the “SEC”) and the rules of the New York Stock Exchange (the “NYSE”), and its qualifications, independence and performance; (iv) subject to the provisions of the Irish Companies Act 2014, as amended (the “Companies Act”), the appointment and performance of the Irish statutory auditor as required under the Companies Act; and (v) the performance of the Company’s internal audit function. The Committee shall also prepare the report of the Committee required to be included in the Company’s annual proxy statement (the “Audit Committee Report”). In doing so, it is the responsibility of the Committee to maintain free and open communication among the Board, the Committee, the independent auditor, the Irish statutory auditor, the internal auditors and management of the Company.

For the purposes of this charter, it is understood that the entity engaged to perform the function of independent auditor may be the same entity as, or an affiliated entity of, the entity engaged to perform the function of Irish statutory auditor. The independent auditor and the Irish statutory auditor shall be collectively referred to herein as the “auditor”.

The Committee’s responsibilities are limited to oversight. The oversight responsibility of the Committee shall not extend to planning or conducting audits, or to any determination that the Company’s financial statements and disclosures are complete and accurate or in accordance with generally accepted accounting principles (“GAAP”) and other applicable reporting and disclosure standards and rules and regulations. These are the responsibilities of management and the auditor.

II. Membership, Structure and Organization

1. **Members.** The membership of the Committee shall be determined by the Board and shall consist of three or more Directors who are not members of management. The Board shall also appoint a Committee Chairperson (the “Chairperson”). All of the members of the Committee shall meet the independence requirements of the NYSE, the independence rules for members of the Audit Committee issued by the SEC and any additional requirements under applicable law. In addition, all Committee members shall be financially literate, as determined by the Board in its business judgment, and at least one Committee member shall qualify as an “audit committee financial expert,” as such term is defined by the SEC and such person will be presumed to have accounting or related financial management expertise. In addition, at least one member shall satisfy the independent and accounting / auditing competence requirements of section 167 of the Companies Act. The Board may remove any member from the Committee at any time.
2. **Meetings.** The Committee shall meet at least four times per year, and at such other times as it deems necessary to fulfill its responsibilities. The Committee shall meet separately, periodically, with management, the internal auditors (or other personnel responsible for the internal audit function) and with the auditor. The Committee may meet in person, by telephone, video conference and / or any other method of electronic communication and may also act by written resolution in lieu of a meeting.
3. **Delegation of Authority.** To the extent permitted by applicable law and the listing standards of the NYSE, the Committee may establish subcommittees consisting of one or more members, other directors and management to carry out such duties as the Committee may delegate, including duties specified in this charter.
4. **Resources.** The Committee has the authority to retain, at the Company’s expense, such outside advisors, including independent legal counsel or other experts or advisors, as it deems appropriate, and to approve the fees and expenses of such advisors. In discharging its oversight role, the Committee shall have full access to all books, records, facilities and personnel of the Company. The Company will provide for appropriate funding, as determined by the Committee (in accordance with this charter), for the payment of compensation to the auditor or any outside advisors engaged by the Committee and for the payment of ordinary course administrative expenses of the Committee that are necessary for the discharge of its duties.
5. **Charter.** The Committee shall annually review and reassess the adequacy of this charter and recommend any proposed changes to the Board for approval.

6. ***Agenda, Minutes and Reports.*** The Chairperson shall be responsible for setting the agendas for meetings. The agenda and information concerning the business to be conducted at each Committee meeting shall, to the extent practicable, be communicated to members sufficiently in advance of each meeting to permit meaningful review. The Chairperson will report regularly to the full Board on the Committee's activities, findings and recommendations, including the results of the Committee's annual evaluation. The report to the Board may take the form of an oral report by the Chairperson or by any other member of the Committee designated by the Chairperson to make such report. The Company Secretary shall assist the Committee in maintaining minutes or other records of meetings and activities.

III. Responsibilities

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take the appropriate actions to set the overall "tone" for quality financial reporting, sound business practices and ethical behavior.

6. ***Evaluation of the Auditor.*** After reviewing the foregoing report and the performance of the auditor throughout the year, the Committee shall evaluate the auditor's qualifications, performance and independence, including a review and evaluation of the lead partner assigned to the Company's audit. In making its evaluation, the Committee should take into account the opinions of management and the Company's internal auditors. This review should include a discussion of the judgments of management and the auditor about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. As part of this review and discussion, the Committee shall consider the results of the annual audit and any other matters required to be communicated to the Committee by the auditor under auditing standards generally accepted in the United States and pursuant to the Companies Act.
