

On September 26, 2019 (the “Effective Date”), Tetraphase Pharmaceuticals, Inc. (the “Company”) filed a Certificate of Amendment to the Company’s Restated Certificate of Incorporation with the Secretary of State of the State of Delaware (the “Certificate of Amendment”), which effected, at 5:00 p.m. Eastern Time on September 26, 2019, a one-for-twenty reverse stock split (the “Reverse Stock Split”) of the Company’s issued and outstanding shares of common stock, \$0.001 par value per share (the “Common Stock”).

As a result of the Reverse Stock Split, every twenty shares of Common Stock issued and outstanding was converted into one share of Common Stock. No fractional shares were issued in connection with the Reverse Stock Split. Stockholders who would otherwise be entitled to a fractional share of Common Stock are instead entitled to receive a proportional cash payment.

The Reverse Stock Split did not change the par value of the Common Stock or the authorized number of shares of Common Stock. All outstanding securities entitling their holders to purchase shares of Common Stock or acquire shares of Common Stock, including stock options, restricted stock units and warrants, were adjusted as a result of the Reverse Stock Split, as required by the terms of those securities.

At the Company’s special meeting of stockholders held on September 25, 2019 (the “Special Meeting”), the stockholders of the Company voted to approve the Certificate of Amendment. On September 25, 2019, the Board of Directors of the Company also approved and authorized the filing of the Certificate of Amendment following its approval by the stockholders.

The Common Stock began trading on a Reverse Stock Split-adjusted basis when the market opened on September 27, 2019.
