– Sending a Clear Message that Change is Needed at GeoPark*

July 15, 2021 01:31 PM Eastern Daylight Time

WICHITA, Kan.--(BUSINESS WIRE)--Gerald O'Shaughnessy, the co-founder, former Chairman and second largest shareholder of GeoPark Limited ("GeoPark" or the "Company") (NYSE: GPRK) today issued the following statement regarding the preliminary voting results from the 2021 GeoPark Annual General Meeting ("the Meeting") held today:

"With today's vote, we believe that shareholders have sent a clear message that the status quo should not continue at GeoPark. Based on information available to us, approximately 37 percent of *unaffiliated* shareholders (shareholders who are not officers or directors of GeoPark) who voted opposed the election of the four Company director nominees we had targeted. I plan to continue to act as an advocate for shareholders so that value is maximized for all shareholders and GeoPark can reach its full potential."
