On February 7, 2024, the Board approved amended and restated bylaws of the Company (as so amended and restated, the "**Amended and Restated Bylaws**"). The Amended and Restated Bylaws, which are effective February 7, 2024, provide that the Board may, by resolution, appoint two persons to the same office, such that an officer position may be filled by two individuals serving simultaneously. Prior to this amendment and restatement, the existing bylaws did not expressly contemplate two persons serving in an officer position simultaneously.
