Effective May 13, 2024, WW International, Inc. (the "Company") amended and restated its Amended and Restated Articles of Incorporation (as amended, the "Second Amended and Restated Articles of Incorporation") to delete Section D of Article III thereof to reflect the cancellation of the Company's previously outstanding Series A Preferred Stock and implement additional immaterial technical and conforming changes. The Second Amended and Restated Articles of Incorporation also reflect the Company's adoption of a majority voting standard in uncontested elections of directors in place of the previous plurality voting standard, as approved by the Company's shareholders at the Company's 2024 annual meeting (the "2024 Annual Meeting"). The Second Amended and Restated Articles of Incorporation retain the plurality voting standard in contested elections of directors.
