Effective May 13, 2024, the Company also amended and restated its Amended and Restated Bylaws (as amended, the “Amended and Restated Bylaws”) to update and expand certain procedural and informational requirements for shareholder nominations for election of directors or proposals of business at the Company’s shareholder meetings pursuant to the Company’s “advance notice” provisions, including updates to reflect the adoption of “universal proxy” rules as set forth in Rule 14a-19 under the Securities and Exchange Act of 1934, as amended. The Amended and Restated Bylaws also delete certain obsolete provisions relating to the equity ownership of the Company’s former controlling shareholder and implement additional immaterial technical and conforming changes.
