On October 23, 2024, the Board of Directors adopted amendments to the Company's Amended and Restated By-Laws (the "Amended and Restated By-Laws"), effective immediately. The amendments:

- Update the existing procedural mechanics and disclosure requirements for stockholder nominations of directors and submissions of stockholder proposals (other than proposals to be included in the Company's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended) to, among other things, align such provisions with recent developments in Delaware law;
- Provide that the interview requirement for election or appointment to the Board of Directors is applicable to all director nominees; and
- Make various other non-substantive updates, including ministerial and conforming changes.
